# Beech

2,195 Sq Ft – 3 Bedroom, 2.5 Bath

The Beech: This 3 bedroom, 2.5 bath ranch features an open concept master plan designed for a life time of living. Its interior is exceptionally spacious, combining functional areas such as the living and dining rooms along with easy access to the kitchen with an oversized island that's perfect for entertaining.

Many appreciate its style of architecture as it offers a larger amount of customizable space. This well thought design provides accessibility and ease of maintenance. Its lower level offers many options for entertaining, multiple bedrooms, fitness area and more.
